snakebite

minneapolis (iv never been there) she showed up b4 i got of th train not like in the summer. all the meals bein brought out on trays but nothing lookd good

cept the pies. all 5flavors. but there were twelve of us and the others ate up everything all but 1 of the pies. the merry go round for sale at goodwill. knit socks in a bin and holes @ the heels. water on the sidewalk where i removed my shoes. the flashing lights on the merry go round i had no chance to bring home with me. it would fit in my home, in my mansion. an old lady and a kid and a man. n then leav- ing the goodwill and stepping into the water on the sidewalk.

in the hotel where we were woken up. a nightmare of going through snakes: no don't think about that. snakes like tassel from the ceiling a thousand thick.

i lay down on the hillside next to people working in the cabbage fields and i screeched: *snakebite, snakebite. get an ambulance 4 me.* i convulsed n rolled around. i foamed at the mouth seizing.

iwoke up in the hotel at an automated wake up call

i keep dreamin about snakes i found out that she said *it means what u r secretly afraid it means* i replied @a distance
