scream sing

HAPPYAZTHEDAYIZLONG

get inna fender bender or whatever n
hit the horn while sobbing n poorly timed sobsneeze snot allover ur own face

its the least u can d0

When you're happy, you enjoy the music.
When you're sad, you understand the lyrics.

rock around the clock

hoskuld: kelly and her dad went to a museum and saw a asteroid 4 billion
yrs older than the earth
her dad put his hands on it
and said "i pledge allegiance to the asteroid..." etc

hrut: thats lovely

gunnhild: oh amazing
ok but lets be real how can a rock be older than another rock thats
just crazy talk

hoskuld: 1oclock 2oclock 3oclock
rock

gunnhild: law of preservation of matter
i call shenanigans

hoskuld: iguessed they meant oldness like yknow b4 earth "clumped up"
circa like crushmyselfoclock
til the broad daylight
on a saturday nite
etc

gunnhild: but did it 'clump up' or just break off
aargh fin scientists gettin me pissed
as usual

conduit bends

narrow is eyes not worried abt history or abt the future
abundant ravines of meat tremblin 4ever athousand miles down w a gelatin jiggle

golden shinin lines of hazardy patience stretchin in a multi dimensional grin u cant
fathom but i feel it and there R ppl who feel it under our busted ground-hands

lumps

terrible mistakes of rebar n asphalt hilarious pretend permanent poison shellies
that bake us soon as the cold rivers get turned off

we have 2 organize our screams ahead of time otherwise thescreams will
arrange us

n also gotta b grinnin immiserably grin thru the drywall the sinkhole whatever
smashd when the grass pullz us side 2 side a smilin gentle lullaby of when the
ground choosed 2 move

srrounded by cherry trees th@ r laughin

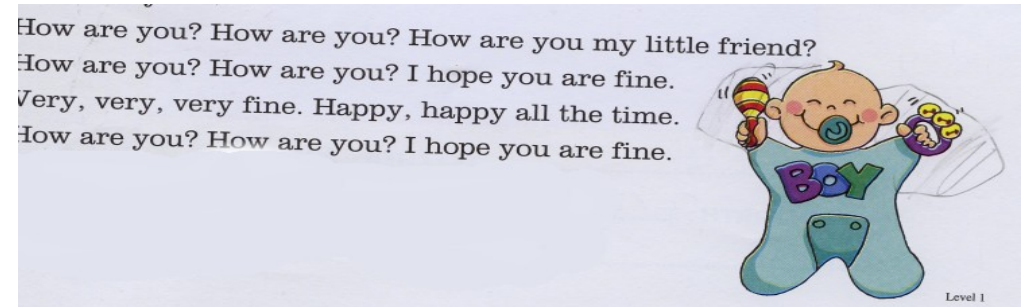

n they say *we have 2 laugh 2*

liek this:
Ha Ha Ha Ha !

mise en abyme II

g: from the psychoanalytic side one might argue that spongebob's character instability is the schizophrenia of the worker under neoliberalism. he must be whoever is required. the simple analyst might say, he is a many layered individual, revealed in his complexity over the course of the series. there is some truth to both, as truths are multiple. however, I'd argue that there are not "many" spongebobs, there is NO spongebob.

the intentionally insipid smiling cutout falls, revealing... nothing. a hole where any projection will fit. Bikini bottom is populated by rich characters, but none of them lives in a pineapple under the sea. No one does.

h: mise en abyme

g: wut

h: hall of mirrors
masks behind masks n behind thousand masks u got:
Nothing At All

cant resist

g: what is it about dudes that look like mangy hungry half fertile dogs that i cant resist

h: myself, i like it better when guys look like tapirs

what if

we got a Thing 2gether

that U nited liek

Every1 ??

aromantic flag

hoskuld: i just found out theres an 'aromantic flag'
so many commodities out there

hrut: what does it smell like

hoskuld:Imao

j: have u seen the 'radical empath' flag in the marigny

hoskuld: jesus no
just image searched 'radical empath flag' tho
the results were a picture of obama, a coke can, a car crash, an
american flag

ode to that french bitch

who h8ed roy orbison

bc he wasnt her dreamdate sensyman hispter flirtglasses man dressd liek an elementary school child w witty selfeffacement but masculine underneethitall indy maroon pants nervous cultured man of artbooks or a lilbutton upon the lapel noindeed!!

arbitrary sunglasses roy wasnt th@ so she h8ed him s0much it made her
skincrawl w shame 4someraison bc he was liek

CaAAAAAAAAARA MIIIIIA MY

or smthn liek that o man *she h8ed it !*

who sold those posters RIGHT ON chezball approach 2 declarin that sheis infact
Against Racism letit b known and a woman owned bizness and soforth but was
liek the most
sidesplitting person oman

how joyd i was when her bizness ultimately bombed iguess or mayb she just had a repressoid brakeup an left the country *returned 2 Europe!* an thats when i said

[illegible]

all 2gethernow we r still wishin her *bon voyage bitch!*

found teeth in my window

her lil shoulderws where the cartllge is actully just acid putty eating the bones off
ten days into being shown the freefall place the hidive or cliff face rather
let the dumb houghts speak for themself

in hind site i should not of let them lounge a round in my cave nor tell them all
crazy things 2 make them laugh nor rly say
n e thing @ alll 2 n e

plots ore counterplots spy versis spy back hwen i thout we were all ridin the wave
blue far as the eye cn see every 1

each 1 s not a snake @ all more liek uhh lemmings but if d prived of water 4 toolong
we were not ready 4 that open mouth should of kept um closed

He burns one's self the brains.

genius like me

g: it must be exciting to know a genius like me
the kind of guy who will take a rly deep whiff of homemade natto at close
range after already determining that its off
resulting in a chemical burn inside my sinus
and late nite call to poison control

h: oh shit dude
r u ok

twinnies

when mr twinnies got knockd down an everyone saw it--all near funny it cant B denied 2 most

n hardly n e kind of surprize orphaned by the 20th century w archaic dental strategies and Tin Cans bad submarines velvet plush guideropes and soforth

little lilting braids of joke predate all of it\

on they go farther than U even want 2 look just liek some stupid fractal xcept \ funny

7 Surprising Things You Didn't Know About Pumpkins

Things help communicate something more than a standard connection request. With a Ping you can be certain someone is particularly, especially interested in you (which is always flattering, isn't it?). Of course you can always decline, and be declined – that is to be respected. It's your prerogative to ignore a Ping if a human is not for you. But remember, you have more than doubled your chance of making a Connection when you opt to use a ping.

the laust laugh was a breath breathd in2 me at birth at the aperture of my own life
when there was a blizzard suddenly destroyin the balmy hot northern march
weather & that was when Af put her fingers on the ends of my mouth & laughed *i
laughed*

we laughed then n we r laughin already
